A forceful right-given batsman and medium pacer

Symonds resigned from global cricket on 19 August 2010, having played 102 Test matches and 334 One Day Internationals (ODIs) for Australia. He was a damaging batsman and valuable bowler who won

numerous acclamations for his capacity to engage swarms with his going after style of play. He is broadly viewed as one of Australia's most powerful cricketers.

A fighter on the field and a flat out man of honor off it - Michael Clarke

One of my incredible second thoughts is that I never got to share a changing area with 'Symo'. He was one of my #1 players, and I watched him intently all through his profession. He was a champion on the field however a flat out honorable man off it. Any individual who has at any point played cricket with or against him would let you know he was an exceptionally unique cricketer - for what he accomplished on-field, yet additionally due to how much fun he brought to our changing areas over his vocation.
